

Dear Esteemed Partners,

Spring is here and hope is turning into a reality. Our great state of Texas is recovering from an atypical winter storm and the blue bonnets are blooming. In addition, the rapid advancement of the vaccination campaign in the US is bringing us relief and one step closer to “normal”.

With a sense of optimism, the University of St. Thomas-Houston will resume face to face learning in the 2021 academic year. Health, safety, and wellness are of utmost importance to UST and that is why we have worked diligently to prepare the campus for the return of faculty, staff and students.

As a result of all the good news, the **Study Abroad Office is extending the application deadline for exchange students to May 3rd 2021.** Please share with your students the attached Fact Sheet and let them know we’re ready to welcome them!

Thank you and we wish you and yours a blessed Holy Week and Happy Easter~

The graphic features a photograph of the University of St. Thomas building with a prominent golden dome, set against a blue sky with white clouds. The building is surrounded by a well-maintained green lawn. On the left side, there is an orange vertical bar containing white text. At the bottom right, the University of St. Thomas logo and name are displayed.

UST
Not an Ordinary Experience

The campus of the University of St. Thomas reflects the dynamism and rich diversity of the city of Houston, drawing students from 34 different States and 61 different countries. We are a multicultural and multifaceted campus with sixty-eight percent of the student body being ethnically diverse.

The University of St. Thomas is located in the heart of the Museum District where you can enjoy the city's outstanding performing and visual arts venues. As the energy and medical capital of the world, Houston is a vibrant city with cultural centers, beautiful parks, championship sport teams, and located just 25 miles away from The Johnson Space Center, home to NASA.
